Disclaimer

The Council will make every effort to ensure that the advice given in the pre-application process is as accurate as possible. However, any advice given by council officers for pre-application enquiries does not constitute a formal response or decision of the Council with regards to any future planning applications. Whilst it may be a material consideration, it cannot be held to bind the Council in its validation or formal determination of a subsequent application.

If an application is subsequently submitted which fails to take on board advice given by officers, then the council may refuse it without further discussion with the applicant or their agent.

Disclosure

Information related to pre-application requests may be subject to requests under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004. The Act and Regulations provide for some exemptions from the need to disclose commercially sensitive information and in cases where applicants consider that specific information is exempt from the requirements of the Act or the regulations, the justification for their position should be provided to the local planning
