

## **SECTION 3: PROPOSALS FOR THE 11 AREAS THAT COVER LEEDS**

### **3. EAST LEEDS**

- 3.3. The East area consists of an area which covers the eastern extent of the Main Urban Area of Leeds including the varied communities of Whinmoor, Swarcliffe, Manston, Cross Gates, Austhorpe, Whitkirk, Halton, Halton Moor, and Colton. It also includes Temple Newsam Park and the major employment area of Cross Green, of which much lies within the boundary of the Aire Valley Area Action Plan. Cross Gates and Halton are the identified town centres providing local shopping and services, plus there are a number of primary schools and two secondary schools within the different residential communities. The key transport infrastructure within the area includes a short section of the M1 around Junction 46, together with a major rail link with a station at Cross Gates, and sections of the Wetherby Road A58, York Road A64, and Selby Road A63. The Ring Road runs along part of the eastern boundary of the area. The largest areas of greenspace are in the south, with the biggest being the Temple Newsam Estate which also provides a major leisure and cultural attraction for visitors from across the District. There are also parts of the Wyke Beck Valley within the East area including Primrose Valley Park, which forms an important part of the wider network of Green Infrastructure across the whole of East Leeds. East End Park is also within the area boundary, plus a range of less formal greenspaces, with the disused railway line from Cross Gates to Scholes (and beyond to Wetherby) acting as a green corridor and walking route.

Overall, the socio-economic profile shows that of working households in East Leeds 38% earn less than £20000 p.a. whilst 6% earn £50,000 or more. In terms of unemployment, there was an unemployment rate of 3% in 2014 (claimants of working population). A number of neighbourhood plans are also being prepared throughout Leeds. Small parts of the Garforth and Rothwell neighbourhood plan designated areas fall within East Leeds.

### **RETAIL PROPOSALS FOR EAST**

- 3.3.1 The main retail centres within East are the town centres of Cross Gates and Halton.
- 3.3.2 For each centre a review of the centre boundary and survey of current uses has been undertaken. The Council is not allocating sites for retail in these centres but has made boundary changes which may provide scope to accommodate additional retailing. The survey of uses has been used to determine the primary shopping area and frontages (primary and secondary).
- 3.3.3 For policies and guidance referring centre boundaries, primary shopping areas and proposals within protected shopping frontages, please refer to section 2 of this document. These policies must also be read in conjunction with the Retail and Town Centres section of the Core Strategy.

## HOUSING PROPOSALS FOR EAST LEEDS

3.3.4 See Section 2, paragraphs 2.26 – 2.71 for the Housing overview which explains the context for the housing allocations in this area.

3.3.5 **Total housing target for East Leeds** (set out in the Core Strategy) = 11,400 units (17% of District wide total)

3.3.6 **Total number of dwellings/capacity to be allocated:**

The target of 11,400 residential units does not mean that land for 11,400 new units is newly allocated for housing. From the overall total, existing allocations (previous UDP housing allocations not developed), planning permissions expired since 31.3.12 and planning permissions with units still remaining to be built between 31.3.12 (the base date of the plan) and 5.4.16 as well as recently expired permissions have been deducted. These sites are listed in Policy HG1 below and count towards the overall target. They are shown as identified housing sites on the plan.

### POLICY HG1 – IDENTIFIED HOUSING SITES

#### THE SITE ALLOCATIONS PLAN IDENTIFIES SITES WHICH:

- 1) HAVE EXISTING OR RECENTLY EXPIRED PLANNING PERMISSION FOR HOUSING OR MIXED USE INCLUDING HOUSING, OR
- 2) WERE PREVIOUSLY ALLOCATED FOR HOUSING IN THE UNITARY DEVELOPMENT PLAN,  
AS IDENTIFIED HOUSING SITES.
- 3) ALL IDENTIFIED HOUSING SITES ARE IN PHASE 1 FOR RELEASE, IN ACCORDANCE WITH CORE STRATEGY POLICY H1.
- 4) IDENTIFIED HOUSING SITES CONTRIBUTE TO THE TARGETS FOR THE ELEVEN HOUSING MARKET CHARACTERISTIC AREAS SET OUT IN CORE STRATEGY POLICY SP7.

#### IN EAST LEEDS THE SITES SHOWN AS IDENTIFIED HOUSING SITES ARE:

<b>Identified housing total :</b>			<b>6,122</b>	<b>731</b>	<b>78</b>	<b>5,313</b>

\* A small part of the site is affected by flood risk. A sequential approach should be taken to the layout of the site so that no housing or other more vulnerable development is located in the zone 3 high flood risk part of the site.

3.3.7 The housing contribution from the Aire Valley Leeds Area Action Plan can be deducted from the East Leeds target:  $11,400 - 2631(11+2620) = 8,769$ .

Completions post 2012 plus sites under construction or not started can be deducted from the target (the sum of the last 3 columns in the table) to leave a residual for allocation for housing.

So, the residual target is  $8,769 - 6122 = 2647$  units

## POLICY HG2 – HOUSING ALLOCATIONS

- 1) THE SITE ALLOCATIONS PLAN ALLOCATES SITES FOR HOUSING AND MIXED USE INCLUDING HOUSING, IN ACCORDANCE WITH CORE STRATEGY POLICY SP7. HOUSING ALLOCATIONS ARE PHASED FOR RELEASE IN ACCORDANCE WITH CORE STRATEGY POLICY H1.

### **Site Specific Requirements For Sites Allocated For Housing In East**

3.3.9 The Site Allocations Plan housing allocations mean that should a planning application for housing be submitted to the council, it is acceptable in principle by virtue of it being allocated for that use in the Local Plan. However, each planning application is judged on its individual merits and where there are specific requirements that will need to be applied, these are listed against each site below. Some planning requirements apply equally to all sites and so are not detailed for each site specifically. See Section 2, paragraphs 2.43 – 2.54 for generic site requirements.

## **GREENSPACE PROPOSALS FOR EAST**

3.3.19 The plan shows the green space sites proposed for designation within the East HMCA. These are predominantly existing UDP green space sites (some updated and modified to reflect the current situation) and additional sites identified through the Open Space, Sport and Recreation Assessment (OSSRA July 2011). Existing green space located within housing or employment allocations is not identified for designation however green space provision within any housing proposal will be addressed through the planning application process and the application of Policy G4 (New Green Space Provision) of the Core Strategy. The provision of green space will also be a requirement in some site specific policies contained in the housing section of this chapter. Any UDP green space sites that are not shown are proposed for deletion mainly because they are no longer in an open space use or are below the 0.2ha threshold. They are listed in the Green Space Background Paper.

3.3.20 The Temple Newsam Estate (336.6ha) lies within the East HMCA and provides many opportunities for a wide range of recreation including formal gardens, lakes, parkland, children's play area, home farm and the historic house. It is one of the key parks and gardens within Leeds and draws visitors from the Leeds area and beyond. Adjacent to the park are the two Temple Newsam municipal golf courses (140.5ha) - the Lord Irwin and Lady Dorothy courses. The area also contains part of Leventhorpe Lagoon and Ings (21ha)(part in Outer South East HMCA) and Halton Dene – Primrose Valley (34.5ha). Many of the other smaller green spaces are interspersed within the housing estates of Swarcliffe, Whinmoor, Manston, Whitkirk and Colton and provide local access to a variety of open spaces e.g. Manston Park (5.3ha) and Penda's Field Disused Railway Path (4.3ha).
