Sustainability Appraisal Addendum 3 – Sustainability Appraisal of the Proposed Main Modifications and Non-Technical Summary, to the Submission Draft Site Allocations Plan, May 2017

January 2019

NON-TECHNICAL SUMMARY TO SUSTAINABILITY APPRAISAL ADDENDUM (PROPOSED MAIN MODIFICATIONS)

Introduction

1. Leeds City Council is preparing the Site Allocations Plan (SAP) which has been subject to sustainability appraisal at each stage of the plan preparation process, in accordance with the Planning & Compulsory Purchase Act 2004 and the Environmental Assessment of Plans and Programmes Regulations 2014. Following the examination hearing sessions for the SAP in October 2017 and July/August 2018 the Council is proposing a number of changes to the SAP which are called the Proposed Main Modifications. Further sustainability appraisal has been carried out on these modifications and the results of this work is documented in this Addendum and should be read in conjunction with the previous SA documents which are listed in Appendix 3 to this Addendum.

Methodology

2. The Addendum provides an assessment of the Proposed Main Modifications against the SA framework which has been done in two steps:
 - i. Screening of the modifications to identify where the change may require an alteration to the original SA scoring and results;
 - ii. A detailed assessment of the modifications against the SA framework where the 'screening exercise' determined that the modification may alter the SA scoring and results. This assessment considers the modification in the context of the objective / policy / allocation as a whole
3. Where there is considered to be a need to revise the results of the SA, the Addendum then considers whether this alters the assessment of the cumulative effects of the plan (all proposals considered together), the proposed mitigation measures to reduce likely negative effects of the SAP and the proposed monitoring arrangements.

Results of the Sustainability Appraisal

4. The screening exercise showed that the majority of proposed main modifications provide changes to supporting text, site capacities and site requirements which it was considered was not necessary to be subject to Sustainability Appraisal as they do not affect the overall intent of the assumptions made in the SA assessments. Many of the modifications are provided for clarification or update information already provided in the SAP. Of the 149 of Proposed Main Modifications nine needed to be assessed against the SA Framework.
 - i. All new and revised policies were reassessed – the results are provided in Appendix 2 to the Addendum. No resultant changes are proposed to the policies;
 - ii. 4 sites were subject to revised boundary changes which have been

assessed. The results are provided in the table at paragraph 3.2 of the Addendum. Whilst some of the individual effects on SA objectives varied from the original SA scores, the overall differences were limited. The sites are:

Outer West	South	HG2-167 Old Thorpe Lane, Tingley
		HG2-171 Westerton Rd, East Ardsley
		HG7-1 West Wood, Dewsbury Rd, Tingley
		EG1-48 Opposite Ravell Works, Gelderd Rd, Wortley

5. With regard to cumulative impacts of the SAP, the overall findings of the Submission Draft SA Report remain broadly unchanged as a result of the Proposed Main Modifications, however given the reduced scale of housing growth accommodated by the SAP through the Proposed Main Modifications, the quantum of development will have a lesser impact particularly on the SA objectives influenced by the development of greenfield land as a result of the significantly smaller proportion of Green Belt sites proposed for housing allocation. For example pressure on greenfield land, biodiversity or geological interests, landscape quality, distinctiveness of the built environment and community cohesion.
6. No change is proposed to the identified mitigation measures or monitoring arrangements as a result of the Proposed Main Modifications.
7. The Proposed Main Modifications were also not found to have any adverse impact under the Habitats Regulations.

1. INTRODUCTION

- 1.1 This Addendum has been prepared to accompany the Proposed Main Modifications for the Site Allocations Plan (SAP) following the examination hearing sessions in October 2017 and July-August 2018. The modifications respond to the actions raised during the hearing sessions and the Inspectors' post hearing note.
- 1.2 The Addendum should be read in conjunction with the SA documents produced as part of the preparation of the SAP which are listed at Appendix 3 together with the Proposed Main Modifications to the Submission Draft SAP (December 2018).
13. The purpose of the Addendum is to assess whether the Proposed Modifications affect the outcomes of the Sustainability Appraisal process.

2. METHODOLOGY FOR ASSESSING PROPOSED MAIN MODIFICATIONS

- 2.1 The assessment of the Proposed Main Modifications has been undertaken in two steps:
 - i. Screening of the Proposed Main Modifications

Each Proposed Main Modification has been 'screened' to establish whether or not it changes the intent of the SAP policies and supporting information and therefore changes any of the assumptions of the SA assessments undertaken for the SA Report and accompanying addendums. Appendix 1 provides the results of the screening process. The wording of each modification is summarised in the table. The Proposed Modifications consultation document provides the full wording of each modification and the reason for the modification and should be read alongside this SA Addendum.
 - ii. Where necessary, further SA assessment work of proposed Main Modifications

Where the screening exercise confirmed that the Proposed Main Modification required further attention under the SA, the modification has been assessed fully against the SA framework in order to identify potential effects and inform the proposed modifications and their future implementation. This further assessment work is provided at Appendix 2.
- 2.2 The screening process identified that the majority of Proposed Main Modifications provide changes to supporting text, site capacities and site requirements which it was considered was not necessary to be subject to Sustainability Appraisal as they do not affect the overall intent of the assumptions made in the SA assessments. Many of the modifications are provided for clarification or update information already provided in the SAP.
- 2.3 The modifications which have been 'screened-in' for further assessment are for new and revised policies and where site boundaries are proposed to be

revised. Sites proposed for deletion have not been subject to this further assessment as the effects of individual sites on SA objectives remain unchanged. However commentary is provided in section 3.3 below on the effect on cumulative impact arising from a smaller number of sites proposed for allocation in relation to the overall quantum of sites.

3. ASSESSMENT OF PROPOSED MAIN MODIFICATIONS ‘SCREENED IN’ AGAINST THE SA FRAMEWORK

3.1 The screening process identified eight policies requiring further SA assessment due to them being new or revised policies, which are detailed in Appendix 2. Policies subject to this assessment are:-

HGR1	New policy
HG1	Amended policy
GB1	New policy
HG2	Amended policy
HG6	Amended policy
HGR2	New policy
EO1	Amended policy
EG1	Amended policy

3.2 A number of sites have also been subject to boundary changes as a result of the review work on proposed Green Belt housing allocations and actions identified arising from the examination hearing sessions. The sites are all located within the Outer South West Housing Market Characteristic Area and are listed below.

Site Reference	SA Outcome
HG2-167 Old Thorpe Lane, Tingley	The revised boundary was reassessed for the SA Addendum March 2018 (CDR1/5b). The SA effects were comparable for with the larger scale of site previously assessed, however access to health (SA4) is improved from neutral to positive and the effect on heritage assets (SA21) is changed from a single negative to neutral.
HG2-171 Westerton Rd, East Ardsley	The revised boundary was reassessed for the SA Addendum March 2018 (CDR1/5b). The SA effects were comparable for with the larger scale of site previously assessed, however access to health (SA4) is improved from neutral to positive and pressure on greenfield land (SA11) is improved to a single negative reflecting the improved brownfield status of the site. The effect on landscape quality (SA19) is also

	improved to neutral. The potential effect on land stability (SA18d) has a more negative effect reflecting the predominance of mine entries/mine entrance zone of influence within the site boundary.
HG7-1 West Wood, Dewsbury Rd, Tingley	The revised boundary has been assessed. The SA affects are unchanged from the SA Submission Draft (CD1/17). NB there was an error in the original assessment for flood risk (SA14). As a result of the site boundary change, the single positive score for SA14 is now correct.
EG1-48 Opposite Ravell Works, Gelderd Rd, Wortley	The revised boundary has been assessed and the SA effects are unchanged

Consideration of cumulative impacts

- 3.3 Section 5 and Appendix 13 of the Submission Draft SA Report (CD1/17) considered the cumulative impacts of the SAP against the 22 SA objectives. The overall findings of that assessment remain broadly unchanged, however given the reduced scale of housing growth accommodated by the SAP through the Proposed Main Modifications, the quantum of development will have a lesser impact particularly on the SA objectives influenced by the development of greenfield land as a result of the significantly smaller proportion of Green Belt sites proposed for housing allocation. Namely, SA11 (minimise pressure on greenfield land), SA12 (biodiversity or geological interests), SA19 (landscape quality), SA20 (distinctiveness of the built environment), and potentially SA9 (community cohesion).

Proposed mitigation measures

- 3.4 Section 5 and Appendix 14 of the Submission Draft SA Report (CD1/17) set out mitigation measures to prevent, reduce or offset significant adverse effects of implementing the SAP. No change is proposed to these identified mitigation measures as a result of the Proposed Main Modifications.

Proposals for monitoring

- 3.5 Section 7 of the Submission Draft SA Report (CD1/17) referred to the monitoring framework provided for the Adopted Core Strategy, which was provided at Appendix 15 of the SA Report. No change is proposed to this monitoring framework.

4 HABITAT REGULATIONS ASSESSMENT UPDATE

- 4.1 The Council has undertaken ongoing screening and Appropriate Assessment, which concludes that, subject to some MMs, there will be no adverse affect on the site integrity of Special Protection Areas (SPAs) and Special Areas of Conservation (SACs).

APPENDIX 1: SCREENING ASSESSMENT OF PROPOSED MAIN MODIFICATIONS

The table below shows the results of the screening of proposed Main Modifications. It assesses each modification to determine whether it has the potential to change the SA outcome.

Main Mod. No.	Site Ref. / Reference in Plan	Potential to change SA outcome	Reasoning for SA
1	Section 1 Introduction ¶1.5	No	Revision to paragraph to refer to the housing requirement in the Core Strategy Selective Review and the future review of the Site Allocations Plan for housing beyond 2023. Modification is provided in relation to the future review of the SAP which is subject to a new policy HGR1 (MM 4). The assessment of policy HGR1 is provided in Appendix 2 therefore not necessary to SA this supporting text change.
2	Section 1 ¶1.6	No	Revision to paragraph to clarify different plan periods within the SAP reflecting the need for a commitment to review the Plan to take account of the CSSR. Modification is provided for clarity in relation to the different plan periods within the SAP which do not directly affect the SA outcomes. The SA of HGR1 considers the SA effects (see Appendix 2).
3	Section 2 Housing Overview ¶2.27, ¶2.27a and ¶2.27b	No	Modification is provided for clarification reflecting need for the early review of the SAP in response to a lower housing figure in the CSSR. Does not directly affect the SA outcomes. The SA of HGR1 considers the SA effects (Appendix 2).
4	Section 2 Housing Overview New Policy HGR1	Yes	The new policy provides the mechanism for the review of the SAP in response to housing need. See Appendix 2 for SA assessment.
5	Section 2 Housing Overview ¶2.27d Table 1 ¶2.28	No	Update to housing information and the emerging work identifying a lower housing figure than the Core Strategy. Provided for clarification No effect on SA outcomes.
6	Section 2 Housing Overview ¶ 2.29	No	Update to housing information and for clarification. No effect on SA outcomes.
7	Section 2 Housing Overview ¶2.29	No	Provided for clarification to confirm that UDP site requirements for identified sites are still applicable. No effect on SA outcomes.
8	Section 2 Housing Overview ¶2.29 Policy HG1	Yes	Policy HG1 revised to delete reference to recently expired planning permissions and to reflect the removal of phasing from the Plan. The revision of the policy needs to be subject to SA assessment to establish any potential SA effects (See Appendix 2).
9	Section 2 Housing Overview	No	Table 2 amended to reflect sites deleted from the Plan to protect the Green Belt. Provided for information and clarification. No effect on SA outcomes.

	Table 2		
10	Section 2 Housing Overview ¶2.32	No	Paragraph amended to reflect removal of phasing from the Plan. Provided for clarification. No effect on SA outcomes.
11	Section 2 Housing Overview Table 3	No	Table of split of greenfield / brownfield land amended to reflect deletion of housing sites. Provided for clarification. No effect on SA outcomes.
12	Section 2 Housing Overview ¶2.34 & 2.35	No	Delete paragraphs as a consequence of no change to Rural Land designation. Provided for clarification. No effect on SA outcomes.
13	Section 2 Housing Overview ¶2.51 Flooding Issues	No	Paragraph amended to clarify that sites in the Plan include a site specific flood risk assessment commensurate with the scale and impact of the proposed development. Provided for clarification. No effect on SA outcomes.
14	Section 2 Housing Overview ¶2.54 Heritage Assets	No	Paragraph amended to clarify requirements for Non-Heritage Assets. Provided for clarification. No effect on SA outcomes.
15	Section 2 Housing Overview ¶2.54 Air quality Noise pollution	No	Reference to consideration of air quality and noise pollution by planning applications revised. Provided for clarification. No effect on SA outcomes.
16	Section 2 Housing Overview ¶2.55 Delivering the Infrastructure Required	No	Paragraph amended to provide reference to Infrastructure Delivery Plan and for applicants to have regard to the IDP. Provided for clarification. No effect on SA outcomes.
17	Section 2 Housing Overview ¶2.60 Table 4	No	Paragraph amended to outline position on the identification of further safeguarded land releases from the Green Belt and amended table of distribution of safeguarded land across Leeds. Provided for clarification. No effect on SA outcomes.
18	Section 2 Housing Overview ¶2.70 ¶2.73 Policy HG6	Yes	Paragraph amended to update information on number of additional pitches to be provided and revise Policy HG6-2 (Kidacre Street, City Centre). The revised policy needs to be subject to SA assessment to establish any potential SA effects (See Appendix 2)
19	Section 2 Housing Overview ¶2.72 Policy HGR2	Yes	Provides updated information and approach to provision of Gypsy and Traveller sites and new policy HGR2 which needs to be subject to SA assessment to establish any potential SA effects (See Appendix 2).

20	Section 2 Employment Overview ¶2.85 Policy EO1	Yes	Paragraph amended to clarify status of identified sites and revise Policy EO1. Revised policy EO1 needs to be subject to SA assessment to establish any potential SA effects (See Appendix 2).
21	Section 2 Employment Overview ¶2.85	No	Paragraph amended to clarify that applications for EO1 sites should have regard to the Infrastructure Delivery Plan. Provided for clarification. No effect on SA outcomes.
22	Section 2 Employment Overview ¶ 2.88 Policy EG1	Yes	Paragraph amended to clarify the status of identified sites including UDP allocations and revise Policy EG1. Policy EG1 needs to be subject to SA assessment to establish any potential SA effects. (See Appendix 2)
23	Section 2 Employment Overview ¶2.88	No	Paragraph amended to clarify that applications on EG1 sites should have regard to the Infrastructure Delivery Plan. Provided for clarification. No effect on SA outcomes.
24	Section 2 Employment Overview ¶2.91 EG3	No	Paragraph and EG3 deleted to reflect lack of justification for a stand alone policy on the employment site at the airport. Site is retained as employment allocation under Policy EG2-24 (MM 36). Provided to ensure consistency of sites. No effect on SA outcomes
25	Section 2 Green Space Overview ¶2.98	No	Paragraph amended to provide further explanation on the non-green space uses within green space sites and consideration of development proposals. Provided for clarification. No effect on SA outcomes.
26	Section 2 Green Space Overview ¶2.100	No	Paragraph amended to add reference to opportunities for new green space and consideration to Neighbourhood Plan policies. Provided for clarification. No effect on SA outcomes.
27	Section 3: Aireborough HG2-2 Wills Gill	No	Revision to Conservation Area site requirement to reflect wording in Heritage Background Paper and deletion of highway access site requirement reference to deleted site HG2-3. No effect on SA outcomes.
28	Section 3: Aireborough HG2-3 Shaw Lane, Guiseley and Banksfield Mount, Yeadon	No	Site schedule, plan and site requirements deleted. Factual update to reflect deletion of site. No effect on SA outcomes.
29	Section 3: Aireborough HG2-5 Land at Coach Road, Guiseley ¶3.1.11 and ¶3.1.12 Policy HG4	No	Site schedule, plan and site requirements deleted and revise paragraphs. Factual update to reflect deletion of site. No effect on SA outcomes.

30	Section 3: Aireborough HG2-9 Victoria Avenue, Yeadon	No	Amendment to noise mitigation site requirement to require consideration of noise mitigation. Provided for clarification. No effect on SA outcomes.
31	Section 3: Aireborough HG2-10 Gill Lane, Yeadon	No	Site schedule, plan and site requirements deleted. Factual update to reflect deletion of site. No effect on SA outcomes.
32	Section 3: Aireborough HG2-12 Woodlands Drive, Rawdon	No	Site schedule, plan and site requirements deleted. Factual update to reflect deletion of site. No effect on SA outcomes.
33	Section 3: Aireborough ¶ ¶3.1.10 Policy HG3	No	Paragraph amended to confirm no safeguarded land designations in Aireborough and Policy HG3 reference deleted. Provided for clarification. No effect on SA outcomes.
34	Section 3: Aireborough Policy EG1-1 Coney Park, Harrogate Road, Yeadon	No	Amend site area and capacity. Factual correction. No effect on SA outcomes.
35	Section 3: Aireborough ¶3.1.18	No	Paragraph amended to reflect consequential changes arising from deletion of Policy EG3 and new site reference EG2-24 (Land at Carlton Moor, Leeds Bradford Airport). Provided to ensure consistency of employment sites. No effect on SA outcomes.
36	Section 3: Aireborough Policy EG2	No	Reference to Policy EG2 added to reflect site reference revision of EG3 to change to EG2-24 (land at Carlton Moor, Leeds Bradford airport). Factual update. No effects on SA outcomes.
37	Section 3: Aireborough EG2-24 Land at Carlton Moor, Leeds Bradford Airport	No	EG3 revised to EG2-24 alongside site schedule, site plan and site requirements. Factual update. No effects on SA outcomes.
38	Section 3: Aireborough Section 3: ¶3.1.21	No	New paragraph to reflect conclusions of Habitat Regulations Assessment including measures to help avoid pressure on the South Pennine Moors SPA/SAC. No direct effects on the SA. Subject to the separate assessment process through the HRA work.
39	Section 3: City Centre ¶3.2.6 MX1-9 30 Sovereign Street	No	Site deleted. Factual update. The site is unlikely to come forward for residential development. No effect on SA outcomes

40	Section 3: City Centre HG2-208 Globe Quay, Globe Road, Holbeck	No	Amend listed building site requirement in response to Historic England and add new flood risk site requirement. Factual update and correction. No effect on SA outcomes.
41	Section 3: City Centre HG2-209 The Faversham, Springfield Mount	No	Amend listed building site requirement. Factual update in response to Historic England. No effect on SA outcomes.
42	Section 3: City Centre MX2-15 LGI, Great George Street	No	Amend Conservation Area site requirement. Factual update reflecting revised site boundary. No effect on SA outcomes.
43	Section 3: City Centre MX2-19 Westgate – Leeds International Swimming Pool	No	Amend Local Highway Network site requirement. Factual update in response to Highways England. No effect on SA outcomes.
44	Section 3: City Centre MX2-20 Westgate- Brotherton House	No	Revise title of Conservation Area Requirement to Heritage. Provided for clarification. No effect on SA outcomes.
45	Section 3 City Centre MX2-30 Water Lane Railway Triangle	No	Site deleted. Factual update. No effect on SA outcomes.
46	Section 3: City Centre MX2-32 Water Lane – Westbank	No	Amend Local Highway Network site requirement. Factual update in response to Highways England. No effect on SA outcomes.
47	Section 3: City Centre MX2-35 Temple Works Mixed Use Site	No	New Conservation Area and amended Listed Building site requirement. Factual update. The site is overlapped by a Conservation Area. No effect on SA outcomes.
48	Section 3: City Centre Sites for Gypsies and Travellers. HG6-2 Kidacre Street	No	Amend site schedule to 13 pitches (8 Existing and 5 additional pitches). Factual update to reflect further feasibility work. No effect on SA outcomes, however Policy HG6 assessed to establish effect on SA objectives for MM 18 (See Appendix 2).
49	Section 3 City Centre Employment MX2-30 Water Lane Railway	No	Site deleted. Factual update. No effect on SA outcomes

	Triangle		
50	Section 3: East HG2-119 Red Hall Offices & Playing Field LS17	No	Introductory paragraph to site requirements revised to reference detailed planning brief and safeguarded municipal waste site. Factual update. No effect on SA outcomes.
51	Section 3: East HG2-120 Manston Lane - former Vickers Tank Factory Site, Cross Gates	No	Local Highway Network site requirement revised. Provided for clarification. No effect on SA outcomes
52	Section 3: East HG2-123 Colton Road East, Colton	No	Amend capacity and re-insert ecology site requirement. Factual update and correction. No effect on SA outcomes
53	Section 3: East MX2-38 Barrowby Lane, Manston	No	New Scheduled Ancient Monuments site requirement. Factual update to reflect recently scheduled monument. No effect on SA outcomes

APPENDIX 2: ASSESSMENT OF PROPOSED CHANGES ‘SCREENED IN’ AGAINST THE SA FRAMEWORK

POLICY HGR1: Review of SAP		
SA Objective	Score	Appraisal Summary
1	0	<p>New proposed policy. No previous SA assessment undertaken.</p> <p>The policy itself scores neutral against the majority of SA objectives because it is not a policy for the allocation of land/allocates site but simply a mechanism for review of the SAP. There are positive scores for SA7 and SA11:</p> <p>SA7 - By meeting CS housing requirements the SA objective to improve the overall quality of housing and reduced disparity in housing markets across Leeds will be enhanced overall.</p> <p>SA11 – The policy provides for the managed release of housing land and therefore scores positively because it will ensure pressure on greenfield land is minimised and efficient patterns of land use are achieved.</p>

Policy HG1: Identified Housing Sites			
SA Objective	Original Score	New Score	Appraisal Summary
1	0	0	<p>Amended policy.</p> <p>The only amendments to this policy are to delete the word “recently” when referring to expired planning permissions and to delete reference to identified sites being in phase 1 for release. No phasing is proposed to the SAP sites to ensure that sufficient supply of land is available and plan targets can be achieved. Therefore the SA effects remain unchanged.</p>

Policy HG2: Housing Allocations			
SA Objective	Original Score	New Score	Appraisal Summary
1	0	0	Amended policy. Policy HG2 is amended to delete reference to phasing. Sites that were previously in phase 2 or 3 could come forward earlier as a result of not having a phasing policy therefore this change has been subject to SA. Notwithstanding this the new scores are unchanged

SA Objective	Original Score	New Score	Appraisal Summary
1	0	0	Amended policy The majority of policy HG6 is unchanged. The only change relates to criterion i) HG6-2 (Kidacre St, City Centre) to reflect that the site can accommodate 8 pitches and 5 additional pitches. The effects on SA objectives remain unchanged from the original assessment of the policy.
